Jeff really loves wine, and this list is a collection of the bottles, regions and producers he genuinely enjoys drinking. Rather than building a list simply to impress, he has selected wines that are approachable, interesting and, most importantly, enjoyable around the table.

The collection travels from Australia and New Zealand to Italy, France, Spain, Argentina and beyond, bringing together familiar favourites, classic varieties and a few unexpected discoveries. Each bottle has been thoughtfully chosen to complement the food, whether you are looking for something crisp and refreshing, rich and generous, or simply a great wine to share with friends.

If you are unsure where to begin, ask our team for a recommendation. Or choose as Jeff does: something delicious, another glass and good company.
